3. This U.S. Soccer policy is a secondary/excess accident medical policy and is designed as a supplement to any other insurance coverage you have. If you do not provide this information the medical provider will not be able to bill insurance and will most likely request payment from you directly.
4. **Important ** If you do not have any other insurance and your medical treatment is not an emergency please note that the following treatments require approval prior to service: Surgeries, MRI's, CT Scans, Durable Medical Equipment and Physical Therapy. If you are having any of the above treatment you will need to make sure that your medical provider receives the attached Medical Approval Form prior to services.**
5. Treatment must commence within 90 days from the date of the injury to be eligible for benefits under the U.S. Soccer Development Academy policy.
